

Registration and applying for NDIS funding to attend Your Voice Your Choice

The Your Voice Your Choice Conference is an all ages event designed for people with disability, their family and carers. It is a self-advocacy conference where you can learn from others who are leading life their way and getting the most out of their NDIS plans.

The aims of the conference are to:

- Learn from other NDIS participants about the best ways of achieving your goals,
- Connect with a wide variety of service and equipment providers,
- Hear from industry/ sector experts, and
- Feel empowered to take control and live life your way.

Did you know that your NDIS Plan may have funding available to cover some or all of the costs associated with the conference. If you are unsure, you can contact your LAC, Support Coordinator or NDIS Planner. You will also need to ensure you have adequate funds in your plan to cover the costs.

- Make sure you consider all the costs for you to attend such as personal care, transport, accommodation, support staff and registration.
- Staff support to attend the conference could be funded by Category 1 to 4 in core supports.
- Category 9 in Increased Social and Community Participation could fund costs associated with conference registration.
